

Aratoi Artists Auction – Friday 13 June 2025

Absentee Bidding Form

Absentee bidding is a method of remote participation for those who cannot attend the auction in person. The placing of an absentee bid entails the bidder specifying the maximum hammer price that they wish to pay for a given lot. This absentee bid will be executed by the auctioneer, who will bid on the bidder's behalf until their maximum price is exceeded. The auctioneer will act in good faith for the absentee bidder and will endeavour to secure lots on which they bid for the lowest possible price. Alternative bids can be placed by placing the word "OR" between lot numbers. In the event of identical absentee bids the earliest received will take precedence.
